

The Evolution of Motor Car Design 1910 -1950 *Kenneth Wright*

LUNCHTIME TALK WITH BUFFET

Past President and SOEC archivist is well known for his expert talks as a military historian.

But he is also something of a “petrol head” with an impressive knowledge of the history of motor cars and a vast collection of materials pertaining to historic vehicles and events.

This talk is to be commended to all members and guests.

**Friday November 20th, 2026,
at 12 Noon
£15 p.p. including buffet**

Members and visitors welcome
